

# Sport-Muesli

## PRODUCT DESCRIPTION

Sport-Muesli is an all-round mixture for all types of horses and ponies. The feed is fully balanced for sport and achievement (medium – high exercise). It contains e.g. corn and barley flakes, crushed black oats, alfalfa and a special vitamin supplement.

This tasty muesli supports health and vitality of your sport horse. It gives extra energy after training to ensure the horse is quickly back in condition after exercise.

- For all types of sport horses
- Extra health and vitality
- High quality proteins that are highly digestible
- For quick recovery after exercise
- Excellent value-for-money

## FEEDING GUIDELINE

It is important to feed a diet and quantity that meets the lifestyle and needs of the horse. A general guideline for the recommended total amount of concentrates per day:

- For maintenance and basic sport: 0.2 to 0.5 kg per 100 kg bodyweight.
- For (top) sport: 0.5 to 1.0 kg per 100 kg bodyweight.

Divide this daily ration into at least 2-3 meals per day. Always try to feed a minimum of 1.5% of bodyweight as good quality forage. Fresh drinking water must be available at all times.
